Shri Rajesh Agrawal  
Chairman, MAIC  
Real Ispat & Power Ltd

It is a matter of great pride that the 16th Edition of the magazine, MAIC Light, has been published. MAIC has always been equally lauded for its academic as well as non-academic activities. Since its inception, I have seen the college grow leaps and bounds in building not only great careers, but also great personalities.

MAIC Light gives a concise detail of the major achievements and accomplishments of the college. The zest and zeal of the students are always encouraged, which is also evident in MAIC's extraordinary growth. MAIC Light is a platform for students to express their thoughts and ideas through articles. The magazine is also a window into the college's heart and soul, and showcases a plethora of talents that the students possess. It further shows the academic staff and their new age mentality, where the teachers and professors believe that extracurriculars and academics can not only go hand in hand, but are a pre-requisite in the development of a successful career in this entrepreneurial and globalized world.

As the Chairman of the college, I congratulate the team of MAIC and I not only hope, but know for certain that these are just the foundation years of this college, on which this institution will stand and achieve excellence.

"We are what we repeatedly do. Excellence, therefore, is not an act, but a habit."

## Message of Secretary

The annual magazine issue gives us a chance to reflect every year. It makes us dwell on the events of the year gone by. Furthermore, it also gives us a chance to evaluate what we can do better for the forthcoming year.

The effect of the Covid 19 pandemic is slowly waning. The virus has now become an integral part of our lives and we must now learn to live with it.

The college premises and the college staff are now finally bubbling with energy and enthusiasm to welcome back students after what has been a long and testing time for everyone.

I wish the entire team at MAIC a wonderful year and would also like to take this opportunity in congratulating everyone in the college for the stupendous achievement of the past years.

## Annual Report By Principal

### Dr. Jyoti Janaswamy

BA,MA , B.Ed, M.Ed, Ph.D, PGDYA,Ph.D (Edu.)\*

Greetings and good wishes to all associated with the MAIC family!

I take this opportunity to acquaint you all with the college through this edition of MAIC Light, which is the college magazine and it's a matter of great joy that this is the 16th edition of its publication.

The academic session started on the 16th of September with a record breaking admission in all the departments offered in the college. As per the University guidelines and support of the Management authorities the college commenced in full swing from day one keeping in mind the academic progress as priority.

#### Education for gaining knowledge

During times of adversity when the entire world suffered of the pandemic, the prima facie concept of our college has been to motivate our students towards gaining knowledge in the best possible means. The mindset of all students as well as their parents suffered a setback due to the unstable conditions that had hit the field of education. Hence our primary concern in the college has been to bring back the enthusiasm of learning in the student and to kindle their spirits towards changes in the process of acquiring knowledge.

#### Trending courses added to the Learnvilla segment

The unique aspect of our college has been the Skill development program that focus upon making the students readily employable. In the present academic year the college introduced the courses of Web designing, Python,Tally etc. In addition to the already existing courses of grooming MAIC Band Dance etc. Hence a student does his academic learning during the first half of the day and subsequently learns other courses which he has opted for in the second half.

#### Half yearly exams conducted in December

The college conducted Half yearly exams in the month of December to enhance the practice of writing exams amongst the students. It was evident that due to the cancellation of the board exams, the students had lost practice of writing and since they would be attempting university exams after a long interval of time this practice experiment proved to assess the ability of the students and made them realize their positive as well as negative attributes in writing exams.

#### Discipline

The most significant feature of the college has been to maintain a proper code of conduct and discipline in the premises. On a regular basis HODs and faculty members stay vigilant to assure that no act of indiscipline is done in any of the departments.

#### Result Analysis

Results in MAIC achieved 100% results in the session of 2021-22

#### Best Practices

It's noteworthy that the college adopts a variety of best practices and I would like to share some of the significant once.A meditation session is organised every Wednesday under the supervision of faculty members during the first period.

Less vehicle day is observed when all members come to the college on foot or by cycles or they pool vehicles.The students and faculties have made it a regular practice to wear helmets for safety purpose. The college ha acquired a central voice assistance system to communicate messages to the students and staff members.

#### Focus on the Slow Learners

The conduct of the exams revealed the academic potency of the students through which the slow learners could be filtered. The various departments of the college are now focused towards the betterment of students who are comparatively less competent in acquiring knowledge and grasping ideologies. The college has set up a mentor group which is in continuous touch with such students and their parents to understand their problems and find an effective solution of the same.

#### University Topper

It's a matter of great pride that our college students have secured their names in the University Topper lists. Of late the lists have a total of five students belonging to the Commerce Department and the Computer Applications dept who have brought laurels to the name of our college.(With the aforementioned points, I sum up the annual report of the session and would like to extend my best wishes to all associated with MAIC Family).

## The Ambience & Aura of MAIC

The college believes in providing the best of facilities and environment for the students for study as well as enjoyment purpose. The ambience of MAIC is worth a watch in this respect. An imposing entrance that is guarded by the security personnel, who allow the visitors inside the premises with a pleasing smile marks the first impression that is created by the college.

The entire premises is engulfed with seasonal plants and trees that enhance the greenery and provide warmth to the visitors. A bustine figurine of Swami Vivekanand towards the right corner of the premises kindles the thought of our motto "You are the Creator of your Destiny". The beautiful lawn around the area relieves the visitors and students of their stress.

The Reception area of the college has been recently renovated and hosts a serene and elegant idol of Lord Ganesh. The students and faculty members enter their work place by paying their obeisance to the Almighty. Further in the ground floor premises there is a lavish Board room where meetings and Online Seminars are conducted.

There is a Computer lab and Library in the ground floor where practical sessions are conducted. The College's Band, The MAIC Band has a room allocated for music sessions in this floor. ## MAKE TIME TO READ EVERY SINGLE

Reading is the fastest way to build vocabulary. Well, that's what we've always been told when we ask about improving English and it's vocabulary, haven't we? What if I tell you that I am telling it exactly how it is. In my opinion, Reading is realistically the best way to build vocabulary.

Unfortunately, some people tend to dislike reading and it is quite common in people who are expectantly impatient. Although, reading is time consuming and requires will power but is highly a better approach towards one's skill development. Perhaps, some merits of reading might make you want to be obsessed with reading. To commence with, reading ameliorate vocabulary makes you more empathetic. There are many students who are struggling with English communication. What can individuals do to improve their English communication? Personally, I think the ultimate best way is reading.

Not to mention, reading reduces stress and helps you sleep better. Furthermore, there are limitless ways to build up ones vocabulary but you will find reading is the best way to intensify your vocabulary, be it a novel, a school book, a news paper or the walls of the street.

Moreover, reading helps you understand things better. For instance, uneducated people tend to believe in things which has no link to the reality on the other hand educated people are more aware of their surroundings and act accordingly. In a nutshell, reading might seem uninteresting to some but specifically it is the finest way to elevate oneself in every aspect of life.

## HELPING HANDS

Poverty is a state of condition in which a person is unable to fulfill his financial and minimum living needs. Poverty means imbalance between money required to meet basic needs and actual income of a person. We can see thousands of barefooted malnourished children roaming around traffic signals, near temples, railway stations etc. Millions of people sleep starving every day, on the other side tons of food is being wasted in parties, ceremonies etc. The high population growth rate is one of the major reasons of poverty in India. High level of illiteracy, poor, health infrastructure and lack of access to financial resources are the other reasons.

The challenge now is have to find the ways by which we can minimize these figures. Government pointed it as a growing problem and framed various planes, launched many schemes which can help poor to come out of the trap of poverty. But we all know the ground reality; these schemes seem good on paper but are not executed on ground level. Govt. officials fill their pockets from allocated money. It is a sad reality that we can't do anything about the corrupt government.

Some solutions that may help some of them. An idea of 'NEKI KI DEEWAR' hits me when I travelled across Raipur city. Whoever has extra clothes hang it there and it would taken by needful person. Similarly our college decided to give our extra clothes to the nearest orphanage. We can make food boxes near traffic light or near stations so that poor children can get food. Cafes and restaurants can put up their left over food in refrigerators and distribution it to the needy people. These efforts should be made practicable.

## अगर किताबें बोल सकती तो !

हम सब हमारे रोजमर्रा की जिंदगी में किताबों का उपयोग करते हैं। अगर क्या होगा जब किताबें हमसे बात करें कुछ बोले तो ? हम अक्सर किताबें पढ़ के फेंक देते हैं पर ये नहीं विचार करते कि वह क्या सोचते होंगे। अगर किताब बोल सकती तो वो क्या बोलती ?

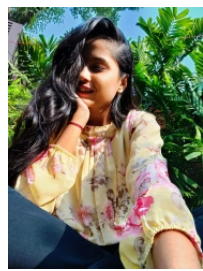

अगर किताबें बोलती तो वह हमें बोलती है कि मुझे संभाल के रखो। अक्सर हम परीक्षा के समय सुबह होते ही किताब पढ़ने लगते हैं पर यह नहीं सोचते कि किताबें क्या सोचती होंगी, वह हमसे बोलती होंगी कि ब्रश करके तो पढ़ने बैठो। हम खाते समय किताब पढ़ते हैं तो खाते हुए पन्ना पलट देते हैं तब वह हमसे बोलती होगी कि मुझे गंदा नहीं करो। हम पढ़ते समय किताब खोल कर चले जाते हैं तब वह बोलती होगी कि मेरी कमर दर्द कर रही है, नहीं पढ़ रहे तो बंद कर दो। हम अपना गीला हाथ अक्सर अपनी किताबों पर लगा देते हैं तब वह कहती होगी मुझे स्नान नहीं कराओ।

हम अक्सर अपनी किताब इधर-उधर फेंक देते हैं परंतु हम ये विचार नहीं करते कि ये गलत है। अपनी किताबों का उतना ही ध्यान रखो जितना अपना खाले हैं क्योंकि किताब ज्ञान का सागर होती हैं।

## When I'm Finally Laid Down

Imaginary yet light years past,  
The soul existence will conclude at last.

When I'm finally laid down,  
A physical contact with earth's crust,  
Utilize the time holding aback origin within my trust.

There be a gist of auricular presence flow of my chakra,  
Be it a depart of majestic era,  
When I'm finally laid down.

When I'm finally laid down,  
Consider great deeds on my behalf,  
Was it precious time to solenoid into life from infancy  
with sole instead of beloved half.

Beyond science it was to elaborate your love  
Now that I'm gone and seeking peace,  
My humble request to free the beast 'twas that goes with dove .

When I'm finally laid down,  
A march past considerably of Privates's,  
I had personally trained in my past,

Be it ever so humble  
Now that I'm gone.

## The Day the World Stayed Home

The earth turned on its axis  
The sun rose for the day  
But the planes, the trains the taxis?

They choose to stay away  
The roads became much calmer  
The streets were quilter still

Because amidst this force of Beauty  
The world was getting ill  
But the days for us looked different

Something waint quite the same  
No long commutes or morning rush  
And a virus was to blame

Au the parents taught their children  
Kitchen tables turned to desks  
But play times were without their friends

The rule was clear: No GUESTS  
For we truly know what matters  
When it comes to love & war  
Not strength of hand nor clench of list

## Heartbreak Or Perfection

The lies we speak,  
The hearts we break  
The numbers of tears our eyes make,

It's astonishing to see how people's feelings change.  
Those who used to say about forever,  
They now don't even talk to each other.

Is it so easy to break up?  
Or is it the need of finding someone else?  
Maybe it's the perception of finding someone perfect,

Or someone who will be flawless.  
I often wonder what is perfection.

Is it about having a clear body  
Or maybe about a beautiful face  
Or someone thin?  
Isn't this how perfection is perceived?

Aren't these the compliments we receive?  
I get insecure most of the time by looking at the perfect people.

How do they feel about being lover by everyone?  
When here I'm left with not being loved by anyone.

Today we are together  
Tomorrow we may not

One day you will die  
Have you ever thought

Fulfill your dreams  
This life is short  
Weaknesses are nothing  
In front of strengths you got

Life is a game  
Be a sport

Others have played  
Now play your shot

This is just the beginning  
There is a lot

Just take your chance  
And hit the right sport

कुछ पौधे उगाए जाते हैं  
और कुछ पौधे अपने आप ही उग आते हैं  
अपने आप उगने वाले पौधे  
अपने आप ही बढ़ते हैं

जबकि उगाए हुए पौधों को बड़े जतन से  
खाद पानी देकर बड़ा किया जाता है  
बिना जतन के  
ये अपने आप उगने वाले पौधे  
उन पौधों को टक्कर ज़रूर देते हैं

अपने आप उगने वाले ये पौधे  
दुगुनी तेज़ी से बढ़ते हैं  
क्योंकि प्रकृति स्वयं उन्हें पालती-पोसती है

अपने आप उगने वाले पौधे हमसे कहते हैं  
प्रकृति के साथ जीना सीखो  
प्रकृति धात्री है सबकी।

## सुविचार :

1.माता-पिता ये दो ऐसे शब्द है, जिनके बिना पूरा जीवन ही सुना लगता है, हम सबने माँ के हाथ से खाना खाया है, और पापा से प्यार भी पाया है पर डांट के रूप में, माँ को जो बोलो वो लाकर दे देती थी, और हमें वो दिलाने के लिए मेहनत वो करते है जलती धूप में, हम सबके पास जीवित भगवान है हमारे पेरेंट्स (माता-पिता) के रूप में।

2. भारत हमारी शान है, भारत हमारी पहचान है, कोई आँच नहीं आने देंगे इस देश पे, इस देश के लिए तो अपनी जान भी कुर्बान है।

## मेरी बारी है

जिस महफिल ने टुकराया तुम्हें क्यों उसे याद करें।  
आगे लम्हें बुला रहे है आओ उनके साथ चलें।  
जिन्हें कदर नहीं आपकी क्यों वहाँ वक्त जाया करें।  
राह मिलती नहीं ढूँढनी पढ़ती है क्यों ना वहीं से शुरूआत करें।  
भाग चुके अतीत से जितने भाग सकते थे।  
अपना चुके सारे पैतरे जो कर सकते थे।  
अब एक नए अध्याय की बारी है। इस बार तुम्हारी नहीं 'मेरी बारी' है।।

## But A Form Close Of The Door

We keep their lives protected  
By the sacrifice we make  
Not money, power, riches  
But the small things we forsake  
A Drive out in the country  
A Mother's day meal for tea  
A coffee & a Hearty chat  
A picnic by the sea  
For we will have these days again  
Our freedom back to room  
But the most important thing right now  
Is that we all just stay at home

## मैंने ऐसा वक्त देखा है!

मैंने ऐसा वक्त देखा है!  
हँसते-हँसते खिलखिलाते सड़कों को विरान होते देखा है।  
प्रकृति को मुस्कुराते पाया है।  
मैंने ऐसा वक्त देखा है!  
रिश्तों को साथ आते देखा है।  
लोगों को घर में कैद हो के भी मुस्कुराते देखा है।  
तो कहीं अजनबियों को भगवान सा बनता देखा है।  
मैंने ऐसा वक्त देखा है!  
रिश्तों का साथ छुटते देखा है।  
वक्त ने जिंदगी में गहरी कमी का एहसास लाया है।  
जन्म से पहले शब्द से अनजान होते देखा है।  
अपनों को खोने का दर्द देखा है।  
मैंने ऐसा वक्त देखा है!  
किसी के सपनों ने साथ छोड़ा,  
तो किसी के अपनों ने साथ छोड़ा,  
लाखों खुशियों को मैंने ख़्वाब बनते देखा है।  
मैंने ऐसा वक्त देखा है!  
कितने ही लोगों को मीलों दूर चल कर घर आते देखा है,  
कितने घरों को बिखारते देखा है।  
चाह कर भी हम अपनों के आँसू पोंछ ना पाए  
अपनों को अकेला रोता देखा है।  
मैंने ऐसा वक्त देखा है!  
इस वक्त में लोगों का मंदिर से ज्यादा  
हॉस्पिटल के चक्कर काटते देखा है।  
डॉक्टरों को भगवान बनते देखा है।  
और सब कुछ लुटाकर भी लोगों का साथ खोते देखा है।  
मैंने ऐसा वक्त भी देखा है!

ना चाहिए तुझसा कोई ना कहीं और बना होगा,  
तू बस बैठ जा हँस के, कहूँ तो बस,  
तेरा जिंदा होना जरूरी है, रात को हँस के चैन से तेरा सोना जरूरी है।  
कहूँ तो बस तेरा होना जरूरी है।

ना कोई मांग करूंगा तुझसे  
ना कोई ज़िद रखूंगा अबसे,  
बस एक चाह है कि तेरे दिल में मेरे लिए एक होना जरूरी है,  
तू बस हँस के बैठ जा, तेरा जिंदा होना जरूरी है....

ना चाहे तो ना आ पास मेरे ना सुना,  
ना दिखा अंदाज तेरे, तेरी मर्जी है  
तू जैसे चाहे वैसे रह ले, क्योंकि कहते हैं ना,  
हँसी के आँसू भी रोना जरूरी है,

तू बस हँस के बैठ जा, तेरा जिंदा होना जरूरी है....  
वो आये तो ले जाये भले मुझे,  
पर उसका साया भी ना छू पाए तुझे,  
मैं जाने को तैयार हूँ, क्योंकि सुना था,

कुछ पाने को कुछ खोना जरूरी है....

तेरा यहाँ होना जरूरी है....
